The Ouray Canyon Coalition, Inc.

(OCCI)

(<http://www.ouraycanyoncoalition.org/>)

is a non-profit 501(c)3 organization founded :

- To promote canyoneering safety, self-reliance and ethics through education.
- To facilitate the exchange of ideas and information among the canyoneering community.
- To provide venues for networking between canyoneers, regionally, nationally and internationally.
- To explore, develop, test, and train, techniques and practices to assist individuals with limitations or disabilities, especially troubled and at risk youths to enjoy the adventure sport of canyoning/canyoneering.

The **OCCI** accomplish its mission through SEVEN active projects:

- The Ouray Canyon Club (<http://www.ouraycanyonclub.com/> <http://www.meetup.com/ouray-canyon-club/>). The Ouray Canyon Club (OCC) was launched in the spring 2012 for the purpose of promoting and teaching safe and ethical canyoneering. We are especially dedicated to introducing Ouray City residents, Ouray County residents, and western slope residents to the wonderful world of canyoneering and the amazing canyons in our own backyard.
- The annual Ouray Canyon Festival (<http://www.ouraycanyonfestival.org/>, <http://www.meetup.com/ouray-canyon-festival/>) Ouray Canyon Festival offers a great opportunity to discover new canyons, make new friends; to share ideas and information; and to learn new skills and techniques from other canyoneers. The intent of our festival is to provide canyoneers with opportunities to practice their skills and techniques.
- The Annual Fundraising Gear Raffle for the Ouray Mountain Rescue Team (OMRT) This event takes place at the annual Ouray Canyon Festival and typically raises \$500-\$1200
- Publishing the bulletin "How to get started in Canyoneering"
- Community Outreach via a canyoneering video loop continuously playing at the Ouray Visitors Center.
- The Youth Canyoneering Adventure Days
- The Veterans Canyoneering Adventure Days
